MC EXTRA IS A REGISTERED TRADEMARK AND VALAGRO USA INC. IS A TRADEMARK OF VALAGRO S.p.A.

GUARANTEED ANALYSIS

Total Nitrogen (N).....	1.0 %
1.0 % Water Soluble Nitrogen	
Soluble Potash (K ₂ O).....	20.0 %
Derived from: Potassium Hydroxide; Seaweed extract	

GENERAL INFORMATION

MC EXTRA is a completely and rapidly soluble nutrient intended to supplement standard fertility programs. MC EXTRA is specially formulated to provide quickly available nutrition in support of overall crop vigor and plant growth.

KEEP OUT OF REACH OF CHILDREN

In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention.

DIRECTIONS FOR MIXING

Mix 1 lb of MC EXTRA in a minimum of 3 gallons of spray solution. For best results, mix MC EXTRA in clean water and agitate thoroughly, then add remainder of desired materials.

TANK MIXES

MC EXTRA can be tank mixed with pesticides, fertilizers or other chemicals. It is always advised to conduct a compatibility test. MC EXTRA will disperse in water with little agitation. Any residue in pails is water-soluble. Triple rinse and add contents to the spray tank. Do not reuse container.

CLEANING OF SPRAYER

Flush with clean water all parts of the sprayer including the pump, hoses and nozzles several times prior to and after the use of this product.

NET WEIGHT (9,07 Kg) 20 lb

CONDITIONS OF SALE:

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price. It is impossible to eliminate all risks associated with use of this product. Crop injury, lack of performance, or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, presence of other materials, the manner of application, or other factors, all of which are beyond the control of Valagro USA or the seller. All such risks shall be assumed by buyer.

Do not apply near water, storm drains, or drainage ditches.

Do not apply if heavy rains are expected.

Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.
